From the Chaplains
Bible Proverbs will teach you how to be wise and self-controlled and will teach you to do what is honest and fair and right. Proverbs Chapter 1:3
If you saw someone unwittingly drop a $10 note, would you let them know or would you take the money for yourself?
If you were aware that you had been accidentally undercharged $10 in a shop, would you tell the shop assistant? If you choose to do the right thing, you would discover something very special. In both instances, the gratitude that you would receive from the people involved would far outweigh any $10 cash benefit. If you are one of those individuals who proves by your actions that you are really trustworthy you will always be greatly respected by others.
Proverbs Chapter 10, verse 2 tells us that “ill-gotten gain has no lasting value”
One of the most valuable things you own is your reputation. Guard it well – with honesty.

Flashlight now active at Bundaberg South State School

On Thursday 08 August, flashing light school zone signs were installed on George Street, South Bundaberg. Bundaberg South State School was nominated to receive these new signs as part of a $10 million Queensland Government commitment to improve school road safety.

You will notice that the new signs look similar to standard school zone signs with the important addition of a red flashing ring around the speed limit as well as two flashing yellow lights at the top of the sign. The installation of flashing light school zone signs is proven to improve visibility of school zones, serving as an active reminder for motorists to slow down.

So next time you’re dropping off or picking up your child keep an eye out for the new signs and make sure you stick to the signed speed limit. This area will be policed.
