FROM THE CHAPLAINS  John & Paula
Ecclesiastes 3: 1
To everything there is a season,
A time for every purpose under heaven;
If you give up when it’s Autumn, you will miss the promise of your coming spring, and the fruitfulness of your summer. So face your winters. Don’t let the pain of one season destroy the joy of all the rest. Don’t judge life by one difficult season. We all have seasons in life as it is in the natural so it is in the spiritual. Learn to recognize the seasons you are in and find God in each one of them. Persevere through difficult patches, better times are sure to come. Sorrows keep you human, failures keep you humble, success keeps you growing but only God keeps you going. Sometimes the coldest seasons are those times when we feel loneliest and overwhelmed. It may seem like everything we do is difficult but God is FAITHFUL.

ALL DAY SCHOOL ZONES TO BE INSTALLED
Two schools across the Bundaberg Regional Council area will be upgraded to all day school zone status under new school safety initiatives put in place by the State Government.

Council’s Community Services portfolio spokesperson, Cr. Judy Peters said the new zones would restrict traffic speed to 40kph between 7.30am and 4pm on school days as opposed to the current zones that operate for set periods twice a day during hours in which schools operate. Criteria for the new initiative are based upon schools having split campuses.

Bundaberg South State School and Isis District State High School have been identified and will be included in the upgrade scheduled to be in place by June 30 this year.

PARKING REMINDERS
All of these areas are being monitored by Police.

Parking in George Street - please be aware of the NO STANDING ZONE either side of the zebra crossing, these are clearly painted yellow.

Parking in Walla Street - outside the shops has been reduced to 2 hour parks.

There are parking areas in Walla Street or Boundary Streets around the School however another school and kindy are located in the area.

Parents & Students
Always use the school crossings with the School Crossing Supervisor—Boundary & Walla Sts. Do not cross near the shop or roundabout on Walla Street.

Head Lice

Head lice cause some concern with primary school children, especially those in the lower school where they tend to have closer contact with each other. Should your child contact head lice, your child should be treated with appropriate lotions before returning to school. If you ever have concerns in this regard, please do not hesitate to contact the Principal for advice as to treatment.

Head lice can cause some discomfort and quite a degree of embarrassment but please be assured that none of us is exempt and no stigma is attached. Clean heads are often the most likely hosts. Moove Head Lice Solution is available from the school office if requested.

POSITION VACANT
WANTED - A WONDERFULLY SUITABLE MUSICAL SORT OF PERSON!
The YMCA Bundaberg is seeking a wonderfully suitable musical sort of person/s who would like to offer their services on a volunteer basis to The Disability Services section of our local YMCA. What can be offered and how it is to be done is very much up for discussion (with creative ideas being an ideal start). The YMCA clients come with a range of disabilities and the "Musical Leader" volunteer would be well supported by YMCA coordinator Sandy Hounsell. Sandy can be contacted at the YMCA by phoning 4132 8232 or by emailing Sandy at yconnect@ymca.org.au. This would be a rather rewarding and joyous experience for a keen and flexible person/s who has a warm personality and more than a touch of humour.
