Please check the School Calendar, this is very busy term with lots of class activities and events. Keep in contact with your child’s class teacher.

Instrumental Music Applications 2015
Year 3 students were issued with application forms for Instrumental music in 2015. Please return these forms to the Office as soon as possible.

Excursions
At the end of this term there are many excursions and events that your child will have the privilege to attend, events such as swimming carnival and excursions such as Beach Day. If your child has received an RTC this term then they will NOT be invited to attend these special events. Please discuss this with your child to ensure their behaviour follows Bundaberg South State Schools SWPBS plan and that they are able to attend these celebrations.

Attendance
Every day counts! Please ensure your child is at school learning and participating in all of the school events over the coming 5 weeks, as although the year is fast coming to an end, teachers are still working with your child on core skills that they require, along with National Curriculum units and assessment. If your child is away from school, please contact the Office. Correct uniform is to be worn each day at school, coloured shorts, tights, t-shirts are not acceptable. We are a uniform school.

Student Arrival
A reminder that students are not permitted to be at school before 8am. Some students are arriving as early as 7.30 am which is unacceptable. This is a safety issue as children are unable to be supervised.

Play Before/After School
Due to safety concerns for students, all students are not allowed to play on the playground equipment; or on the oval areas before school and after school. This is a safety issue as there is no active supervision. Parents are not allowed to actively supervise other children, as they have no legal rights.

Children Selling Raffle Tickets
Parents are reminded that children are NOT to sell raffle tickets without being accompanied by an adult. We have had several phone calls regarding children selling tickets on their own.

Child Protection Week

Detective Sergeant Cameron from the Child Protection Investigation Unit (C.P.I.U) visited some schools to pass on information regarding dangerous internet sites and apps that primary age students are accessing. Below is a summary of the dangerous sites that parents need to be aware of.

**Bundaberg South State School has, as its Behaviour Management Plan, School Wide Positive Behaviour Support.** Each week a specific rule will be presented on parade and followed up in the classroom. Our three main rules are: Be Responsible, Show Respect, Stay Safe

**Rules of the Fortnight**
Walk in 2 lines. Move quietly and keep to the left/ Respect Others’ Personal Space

Students who fail to comply with these school rules will receive an RTC. After 3 visits to the RTC students will receive an after school detention. If student’s behaviour does not improve, then an internal or external suspension will occur. Please note that if behaviour is extreme then some of these steps may be missed.

Please discuss this with your child and remind them that school is a place to learn and achieve their academic potential.

"RANDOM ACTS OF KINDNESS"

No kind action ever stops with itself. One kind action leads to another. Good example is followed. A single act of kindness throws out roots in all directions, and the roots spring up and make new trees. The greatest work that kindness does to others is that it makes them kind themselves.”

~Amelia Earhart (1897-1937) Aviation Pioneer, Author

Last week we started Random Acts of Kindness deeds. We were encouraged to be more aware of the people we share our lives with. We looked for ways, every day, of lifting people’s moods and helping them feel more appreciated. It has been rewarding to see friendships and relationships strengthened as a result of simple kindness. Be encouraged by Proverbs 27:9 as it says "A sweet friendship refreshes the soul".
