Tuesday June 10  Number 10

Bundaberg South State School has, as its Behaviour Management Plan, School Wide Positive Behaviour Support. Our three main rules are: **Be Responsible, Show Respect, Stay Safe.** Students who fail to comply to these school rules will receive an RTC. After 3 visits to the RTC students will receive an after school detention. If students behaviour does not improve, then an internal or external suspension will occur. Please note that if behaviour is extreme then some of these steps may be missed. Please discuss this with your child and remind them that school is a place to learn and achieve their academic potential.

**THE IMPORTANCE OF HOME READING:**
A student who reads one minute per day at home will read 180 minutes per school year and be exposed to 8000 words per year. A student who reads an average of 20 minutes a day at home will read 3600 minutes per year and be exposed to 1,800,000 words per year! Reading with your child at home is an opportunity for you to spend quality time with your child and assist them with their academic performance.

**GREAT RESULTS GUARANTEE:**
On Friday a representative from Macmillan Books visited Bundaberg South State School and the staff were given the opportunity to investigate new and engaging reading resources for the school. A great deal of reading resources were purchased and they will arrive later this term and be made available for use by teachers and students in term 3.

**ROYAL AUSTRALIAN AIR FORCE HOT AIR BALLOON VISIT:**
Today the RAAF visited Bundaberg South SS and gave the students the opportunity to experience aviation close up, and to inspire an interest in aviation. The students were asked to imagine themselves in the role of the early pioneers of ballooning and human flight, as well as look forward to the future of future aviation. Thank you to the RAAF for visiting Bundaberg South State School and giving our students the opportunity to experience this wonderful feet in aviation.

If you need additional support and help during this time don’t hesitate to see our School Chaplains Paula Dalrymple and John Coleman.

It’s a fact of life that all of us will know both good and bad times. We usually welcome the happy occasions but fear the difficult experiences. The Bible however gives us another way of looking at things; in Romans Ch. 5 verse 3 & 4 we are told that suffering produces perseverance, character and hope. In James Ch. 1 verse 3 & 4 we are told that we have to learn perseverance so that we can become mature and complete.

So next time you’re faced with life’s struggles, try not to despair, instead ask yourself “Can I learn something from what I’m going through?” and perhaps take comfort from this wonderful promise:

Joshua Ch. 1 verse 9... Be strong and courageous. Do not be terrified, do not be discouraged, for the Lord your God will be with you wherever you go. (NIV Bible)
If you are able to assist at the tuck shop on Sports Day or at Salters Oval (8th August) please let the tuck shop ladies or office know as soon as possible. The P and C have donated two .50c vouchers to each class to be given as a positive behavior reward each week and the voucher can be spent at the tuck shop on a Friday.

The next P & C Meeting will be held on Monday 23rd June at 5pm in the staff room.

CHIC’S PIE DRIVE P & C FUNDRAISER
Congratulations to Dontaya Noll who sold $298 worth of pies to fundraise for our P & C Association. Well done Dontaya!

5.30 am—6.30 pm Monday to Friday

Healthy Eating helps your child to concentrate and learn
Please ensure that your child has a proper breakfast each and every day, that your child is bringing a healthy morning tea and lunch. It has been noticed by many of our teachers that a large number of students are coming to school without having any breakfast and frequently have no lunch in their lunch box. Talk to your child about the types of appropriate food they like and ensure they have enough food for the whole day. Small packets of processed food may be fine for a treat occasionally please don’t rely on these foods as your child’s only source of sustenance.
A sandwich, a piece of fruit, pieces of carrot, cheese or celery will be of greater benefit to your child than a packet of chips.
