**From the Chaplains**

SUCCESS
To laugh often and much;  
To win the respect of intelligent people and the affection of children;  
To earn the appreciation of honest critics and endure the betrayal of false friends;  
To appreciate the beauty, to find the best in others;  
To leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition;  
To know that even one life has breathed easier because you have lived.

This is to have succeeded.

ALL DAY SCHOOL ZONES TO BE INSTALLED

Two schools across the Bundaberg Regional Council area will be upgraded to all day school zone status under new school safety initiatives put in place by the State Government.

Council’s Community Services portfolio spokesperson, Cr. Judy Peters said the new zones would restrict traffic speed to 40kph between 7.30am and 4pm on school days as opposed to the current zones that operate for set periods twice a day during hours in which schools operate. Criteria for the new initiative are based upon schools having split campuses. Bundaberg South State School and Isis District State High School have been identified and will be included in the upgrade scheduled to be in place by June 30 this year.

Anzac Day School Ceremony 24th April at Bundaberg South State School - 9am
As a school, we will commemorate the sacrifice of the many men and women who have served their country in Theatres of War throughout the world. Our School Leaders from Year 7 will conduct a short service which will be held on Tuesday 24th April @ 9am. Mr Paul Tramachi from the RSL will address the students. All parents and caregivers are invited to attend.

ANZAC DAY MARCH 25 April
As in past years, Bundaberg students will be taking part in the Bundaberg City ANZAC Day March. Students will assemble at 8:00am on the footpath near the Metropolitan Hotel and PRD Realty. Teachers will be there to supervise. Marshals have allocated our place in the parade, we will move from the Cenotaph down Barolin Street crossing Quay Street into ANZAC Park.

Our students have looked wonderful in their school uniforms at previous marches and it is hoped many students of our school will take part this year. Please notify the office to indicate if your child is attending the 2013 March.

Woolworths EARN AND LEARN Program
Yes it is on again - the Woolworths Earn and Learn Program. Last year we were able to convert our stickers into art and craft materials, cardboard, maths equipment for classes, calculators. The process is easy:-
When you shop at any Woolworths store, you can collect stickers/sticker sheets from the checkout operator, place stickers on your sticker sheet or drop stickers into the box outside the school office.
1 sticker = $10 spent (excludes liquor, tobacco and gift cards). Sticker sheets are available at each Woolworths store or spares are available at the Office. Once you have filled your sticker sheet, drop into the green collection box at the school office.

The more points we earn, the more we can redeem from a choice of over 7,000 educational resources including mathematics and English resources, art & crafts materials and much, much more!

Dear Parents

A very special thank-you to Vicki Dorron and Renira Gillard who have offered to act as convenors for our tuckshop. We would hope that the tuckshop will be ready to start again early in term two. This can only happen if we get enough volunteers to work in the tuckshop.

We are looking for ‘old’ and ‘new’ helpers for 2013. If you are able to help, please fill out the form attached. You are most welcome to get together with a friend/s on your rostered day. Due to workplace health and safety regulations, younger children are not permitted in the tuckshop.

At present we are considering only Fridays each week for tuckshop. Please fill in the form below and return it to the school office as soon as possible. Once the roster has been worked out, it will be sent home via your son/daughter.

Please return this section to the school office
