Tuesday 27 May 2014  Number 9

Bundaberg South State School has, as its Behaviour Management Plan, School Wide Positive Behaviour Support. Our three main rules are: 

**Be Responsible, Show Respect, Stay Safe.** Students who fail to comply to these school rules will receive an RTC. After 3 visits to the RTC students will receive an after school detention. If students behaviour does not improve, then an internal or external suspension will occur. Please note that if behaviour is extreme then some of these steps may be missed.

Please discuss this with your child and remind them that school is a place to learn and achieve their academic potential.

**TERM 2 SPORT:**
 Participation in sport each week will be dependent on behaviour each week. Students who are not invited to participate will be sent to another class to complete independent work.

**WALK TO SCHOOL DAY:** Friday 23 May 2014
Last Friday was Walk to School Day and was celebrated across the state. Students and parents were greeted at the gates by school leaders who handed out walk safely to school stickers.

**NATIONAL RECONCILIATION WEEK:**
The theme of National Reconciliation Week 2014, being held from May 27 to June 3, is "Let's walk the talk". The dates hold historical significance with 27 May marking the anniversary of the 1967 referendum in Australia, while June 3 marks the anniversary of the High Court of Australia judgement on the Mabo-v-Queensland of 1992.

**UNDER 8’S DAY:**
This Friday we celebrate Under 8’s Day at our School. Children from Prep to Year 3 will celebrate Under 8’s Week activities at School. Come along and join in the fun!

**CENTENARY:**
Bundaberg South SS will be celebrating a milestone in 2016 with the school celebrating 125 years. We are looking at forming a committee to coordinate the celebrations. Could you please contact the Office if you are interested in joining this committee. An initial meeting date will be set later in the term.

**ENROLMENTS:**
Enrolments for 2015 are being taken now for Prep and other classes. Please contact Jennene at the School Office for details.

From the Chaplains Paula and John

If you need additional support and help during this time don’t hesitate to see our School Chaplains Paula Dalrymple and John Coleman.

Planning for the future - it’s something we all do. We plan for the holidays, for retirement etc. There’s certainly nothing wrong with looking ahead but sometimes we forget to take time to appreciate the present.

Each new day brings 1440 minutes for us to make the most of. We can waste that time complaining about life’s problems and disappointments or we can be determined not to let anything steal our joy.

All we can be certain of is right here and now. Appreciate the opportunities today can bring, use your time wisely and look for ways of bringing joy to the lives of others.

The Bible instructs us to be “joyful always; pray continually; give thanks in all circumstances...”

(1 Thessalonians Ch. 5 v 16-18. NIV)

Healthy Eating helps your child to concentrate and learn

Please ensure that your child has a proper breakfast each and every day, that your child is bringing a healthy morning tea and lunch. It has been noticed by many of our teachers that a large number of students are coming to school without having any breakfast and frequently have no lunch in their lunch box. Talk to your child about the types of appropriate food they like and ensure they have enough food for the whole day. Small packets of processed food may be fine for a treat occasionally please don’t rely on these foods as your child’s only source of sustenance.

A sandwich, a piece of fruit, pieces of carrot, cheese or celery will be of greater benefit to your child than a packet of chips.

TIME OUT!

Some medical conditions require exclusion from school to prevent the spread of infectious diseases among staff and children. Please contact the Office or your medical practitioner if you require further information.

Diarrhoea and/or Vomiting - exclusion until there has not been a loose bowel motion for 24 hours.

Chickenpox—exclude until all blisters have dried.

Whooping Cough—exclude until 5 days after starting antibiotic treatment.
