Great Results Guarantee

Under this agreement for 2014
Bundaberg South State School will receive $55,142

This funding will be used to

- Through the delivery of quality researched teaching and learning strategies all students in Years 3/5/7 will achieve or exceed NMS in literacy or numeracy by 2014 or have an individual learning plan in place to support them in the areas of literacy and numeracy to ensure all students reach their potential.
- Provide a research based approach to the teaching of reading and numeracy in Prep to Year 2 to maximise student learning outcomes.

Our strategy will be to

- Build teacher capability in the explicit teaching of literacy and numeracy through coaching and developmental programs to create a whole school literacy and numeracy program.
- Provide support for all students in Prep to Year 2 to ensure students reach or exceed NMS in literacy and numeracy in year 3.
- Created a whole school data collection tool and timetable to review student performance regularly.

Our school will improve student outcomes by

| Human Resources (additional teacher aide time to coordinate and facilitate Support-A-Talker in lower grades.) | $40,142 |
| Human Resources – Developing a whole school literacy and numeracy plan to ensure that literacy and numeracy is explicitly taught, monitored and assessed. |
| Human Resources - Providing teachers and teacher aides with the relevant professional development to allow for student success. |
| Physical Resources (purchasing Benchmark Kits – PAT Testing and PROBE etc.) | $15,000 |
| Physical Resources – (purchasing high interest reading books and resources and numeracy resources.) |
